

# John Zhang

183 Thompson Street F1 | New York | NY | 10012

Phone: (917) 767-2792 | Email: [john.shimin.zhang@gmail.com](mailto:john.shimin.zhang@gmail.com)

## Experience

**Financial Systems Analyst** • P/S/L Group, LLC. • December 2013 – September 2014  
Create SAP Business Objects database universes and design internal financial reports. Integrate Business Objects with ERP system Maconomy and troubleshoot. Write VBA scripts that save hundreds of hours of data entry per year.

**Junior Software Developer** • Redstage Networks, LLC. • June 2012 – August 2013  
Successfully launch multiple ecommerce websites from design comps to launch using the Magento framework. Create framework customizations including Drupal, shipping carrier API, and Google Maps integration. Communicate with sales team and developers to create project proposals and spec documents to control cost and prevent feature creep.

## Skills

Languages: • JavaScript • Ruby • Python • PHP • SQL • HTML5 • CSS3 •

Tools: • Backbone.js • Node.js • Meteor.js • jQuery • Jasmine • Ruby on Rails •  
• Rspec • Python • git • Magento • CodeIgniter •

## Recent Projects

**Qutria** • (Ruby on Rails, Backbone.js) | [live](#) | [github](#)  
Social Q&A site, one page Backbone.js app connects to Rails Json API server. Uses Ajax for voting, infinite scrolling on question pages, and real time tag based chatrooms.

**Asteroids-Maybe** • (Javascript, HTML5) | [live](#) | [github](#)  
A HTML5 canvas space shooter game in Javascript from the ground up with elastic body collision and gravity.

**Crater** • (Meteor.js, Jasmine) | [live](#) | [github](#)  
A lightweight blogging app written in Meteor.js, unit tested with Velocity and Jasmine.

**Trello-Clone** • (Ruby on Rails, jQuery, jQuery UI) | [live](#) | [github](#)  
Project management tool inspired by Trello, utilizes jQuery UI and Backbone.js to create intuitive drag/drop/reorder functionality via Ajax calls.

## Education

**App Academy** • New York, NY • September - November 2014  
Full-stack web development course • acceptance rate < 5%

**Baruch College** • New York, NY • B.A. in Mathematics, GPA 3.6 • Sept. 2006 – Feb.2010

**Baruch College** • New York, NY • M.S. in Accountancy, GPA 3.5 • Feb.2010 - May 2012
